

I struggle with **vision impairment**

Are written materials in large text available?

Can I wear sunglasses?

Can I have documents provided in digital format so I can use screen readers?

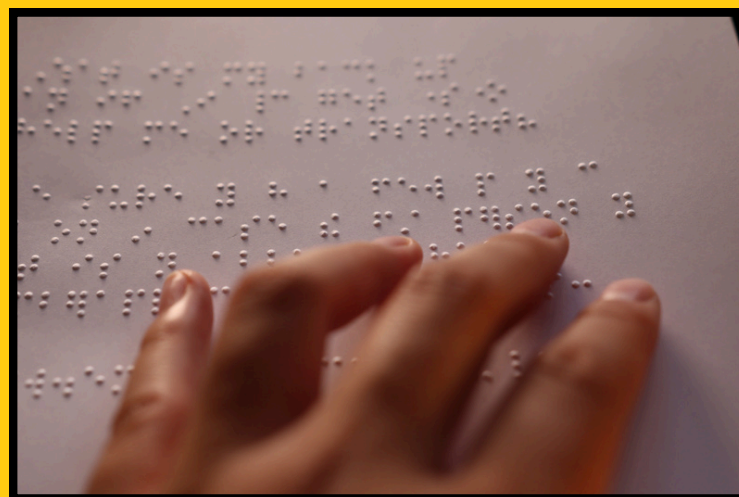

Are there any magnification tools available on-site?

Are physical documents printed in Braille?

Is there someone who can help me find where I need to go?

Call Flagstaff today on **4272 0222** or email us **hello@flagstaffgroup.com.au**
